Our Wild Weeks

Reading:

All students need to complete all required Reading Plus assignments on a weekly basis. The week begins on Mondays and ends on Sundays. The Roll of Thunder, Hear My Cry projects are due Wednesday, March 18th or Wednesday, April 1 due to the ABC State Book Project. Next Current Event is due on Friday, February 27th.

Social Studies:

We are wrapping up our study of famous African Americans. Ask your child about the movie he/she saw about the famous Ruby Bridges. It was really moving emotionally. By the end of next week we will continue our study of U.S. history and we will focus on our country and the separating of power through the branches of government.

Math:

We are coming to an end of Chapter 7 with multiplying fractions and mixed numbers. Your child will take home a Chapter Review/Test on Tuesday 2/24/15. Make sure to review this homework with your child. It's an excellent way to study for the Chapter 7 TEST on Wednesday 2/25/15. Please continue to make sure that your child is working on iReady every Monday and Wednesday for at least 20 minutes and Reflex Math every Tuesday and Thursday for the same amount of time. From now on your child will also be doing TenMarks every Friday as well.

Science:

We have just completed Chapter 7 and your child's test grade will be posted online later this weekend. We will now begin Chapter 8 on weather patterns. We will discuss what happens when two air masses meet. We will also discuss how weather forecasts are made. Your child will learn the difference between weather and climate. There will be a TEST on Chapter 8 on Monday 3/2/15. Look out for the Test Prep/Study Guide and Mini-lessons that will be sent home on Friday 2/27/15. Reviewing both is an excellent way to study.
