## Parents:

Thank you to those families that participated in the Spooky Grandparents Day storytelling. The kids enjoyed spending time with their loved ones and kicked off the Halloween festivities. Also, thank you to all the families who donated pumpkins. The kids had a great time with their pumpkin investigations: counting seeds, measuring circumference, recording observations, gutting and carving them. Don't forget to bring back the roasted pumpkin seeds if your child took home the seeds!

Please take a few minutes to review your child's binder and the work within. Discuss grades and/or comments, organization, neatness, and the quality of the work. Provide your child with encouragement to continue doing an outstanding job and suggestions for how to improve their work. Sign <u>all</u> test papers and any papers with a grade of "D" or lower. Finally, please respond by email or print and sign below indicating that you have seen and discussed your child's binder and papers and return on <u>Monday, November 3rd, 2014.</u>
